SUBJECT: AN APPEAL FOR CONTRIBUTION

Our country is passing through an unprecedented crisis due to COVID -19 pandemic having serious ramifications on economic, social and medical fronts. As torch-bearers of humanity, we, the teachers and supporting staff in educational institutions, have prime responsibility to not only educate the society regarding the ways and means to contain the spread of corona virus, which has caused thousands of deaths around the globe but also to support the government financially to effectively fight the deadly disease so that none gets inflicted with misery and financial hardship.

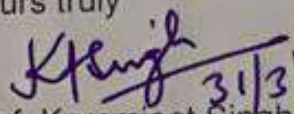

I, on behalf of Syndicate, appeal to the PUTA and PUNTEF to urge their members to contribute generously towards the PM CARES FUND. I also appeal to the principals/teachers/staff of affiliated/ constituents colleges to contribute generously for this noble cause.

The concerned employee of P.U. may give his/her consent through an email, in which they must mention their name, designation, department/office, PF Number to their respective Chairpersons/Directors/Principals of Constituent Colleges/Branch Head. The concerned head will compile the list of such employees and forward the same to salary section of the P. U. at the earliest.

The principals of affiliated colleges will directly deposit the money collected with the Govt under intimation to the University through DCDC.

Needless to add, your financial contribution will go a long way in ameliorating the sufferings of teeming millions of your fellow country-men.

Yours truly
